Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 03 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers arriving tonight. Cold, windy and showery on Saturday.

This Evening and Tonight:
Often cloudy this evening with the odd light shower, but with a strengthening wind bringing more frequent and locally heavy showers during the early hours. The heaviest of these should clear by morning, with drier interludes developing. Staying frost free. Minimum temperature 2 deg C (36 deg F).

Saturday:
Showery, with the driest and sunniest weather during the morning. More frequent showers, perhaps with hail and snow over the Derbyshire Peaks, arriving for the afternoon. Windy, and feeling cold. Maximum temperature 7 deg C (45 deg F).

Outlook for Sunday to Tuesday:
Further showers on Sunday and still rather windy. Rain and some hill snow on Monday, but brighter later. Very windy Tuesday with rain followed by squally showers. Feeling cold.
